Student Council was very successful this year. They sponsored many different activities. Some of these were Homecoming, Coming Home and different dances. They also sold popcorn at home football games.

One of the Student Council sponsored dances was the Homecoming at which the band "Charlie" played. The band "Yankee Fire" played so well at the Christmas dance that they were asked back for the Valentine dance. This year the assemblies were very limited because there was a lack of space caused by the construction.

At the end of the year Student Council donated to the new Youth For Understanding student. They also gave to the American Cancer Society.

This year a little more was expected from the aides. They attended all monthly seminars, turned in monthly write-ups, and did a project for each semester besides going every day and working with the students. As we have gone through our four years of high school, we have had the guidance and friendship of our advisors. Starting in our ninth grade year, they helped us in building our floats. Their aid was tremendous in our moneymaking projects. In our junior year they made our prom a night to remember. We shall always remember the time and effort that was put into our graduation preparations and the special memories of our years in high school.

Class Song

Ode to '79

As time passes by so quickly now, do you know which way to turn?

Those childhood years they have passed us by; now it's time to face the world, be strong.

For now the sun is rising, and our shadows – they must not fall.

Be strong and have courage, don't defy what you must be.

Carry on, my friends, and grow fully each day.

Reach out and touch your fellow man. Travel on, to roads that may lead you nowhere.

The end result's the same, no matter.

For now only our new days and ways are to come. Have you thought about the world outside?

Well, listen now to me, my friends, the world is full of crime and pain.

They're out to get you, to hurt you, it's true.

But the storm can only last so long; good times will be on their way.

Laugh at the bad times and grow with the good. If you don't, life will drive you crazy.

AMPLIFIER JOURNALISM AWARDS

The publication of a weekly high school newspaper is an enormous task. It is only with able editors such as Amy and Michelle that the Amplifier is set up, typed, and printed each week in time to be distributed to the students.

Both of these students are high on the scholastic standard. This is especially proven by the choice of the Science Department in the selection of Amy as winner of the highest scientific award — the Bausch-Lomb. Amy has also been an outstanding cheerleader in high school. This is a time-consuming activity, but one that is very rewarding.

Michelle is a loyal member of the high school concert, marching, and pep bands. Again, here is an activity in which she participates for enjoyment and satisfaction.

The devotion of time, energy, and labor that these two girls have shown as Co-Editors of the Amplifier is to be admired.

VIKING YEARBOOK AWARDS

Efficient, well-organized people get things done. Mary Miller and Dawn Kerbyson are two of those people. In her capacity as Editor in Chief, Mary accomplishes several tasks before other staff members even have time to think about them. Dawn has been doing double duty this year. As Business Manager, she works with a budget of over \$10,000. Many other staff members assist with the typing, but it is Dawn's responsibility to see that all printed material is prepared for each deadline. She does this cheerfully and loyally.

Mary is well known in Marysville High School as a student who is capable, friendly, happy; but, most of all, she is always willing to help others. As Editor in Chief of the Viking, she is called on daily to help staff members and to make decisions concerning the yearbook. In addition, she has starred in the class plays, served on numerous committees for her class, for Student Council and for the National Honor Society. Mary is not just a "joiner." She's a "doer."

"Dreams" Become A Reality

At The Junior Prom

"Dreams" was the theme of this year's Junior Prom. The prom was held at the SCCCC Student Center in Port Huron. Mrs. Rix was the chief chairman for the prom. The band was Krystyl Klear. Servers were Mike Richards and Pam Evans, Pat Richards and Diane Frendt, Brian Sawdon and Chris Wilson. Along with the fountains, flowers and the beautiful setting, the prom will always be a time to remember.

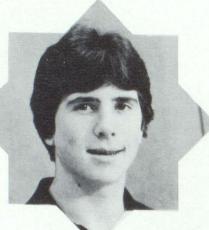

Leadership, A Universal Challenge

George Butler President

Donna Dionne Vice-President

The Junior Class Officers and Steering Committee members had a very productive year. They were busy with prom festivities and money-raising activities. The officers were especially busy organizing the prom, while the Steering Committee was busy in prom committees and organizing money-raising ideas. Both the officers and Steering Committee members put many hours in the planning as well as the construction of the Homecoming float.

Standing: Scott Stevens, Greg Saffee, Chuck Salgot, Erv Partain. Sitting: Sharon Miller, Chris Vonalt, Kathy Hart, Howard Hillman.

Class Officers: Lori Wilson, Secretary; Allan Koppelberger, President; Cheryl Pavlik, Vice-President.

The Sophomores had a fine year because of their organized Steering Committee and officers. These people guided their class to a prosperous year in all areas. They started the year off with a victory in the float competition. Next they had many bake sales, sold popcorn at home basketball and football games, and sponsored a "Count-a-Bean" contest, all of which proved to be profitable. They brought the year to an end with the sale of candy. These activities built their treasury for the future.

Boys' Varsity Club members were very active this year. Calendars were sold and they ran the concession stand at basketball games. "Sock Hops" were an added attraction, and also very profitable, after most home Varsity Basketball games.

Among other activities, the club went to view a baseball game at Tiger Stadium.

Chris Cruickshank was president this year; Jim Mathers — vice president; Mark Zimmer — secretary; Jim Bixler — treasurer; and Mike Quaine and Dave Beaudry were sergeants at arms. Advisors were Coach Braun and Coach Jackson.

No Goal Is Unreachable

Our new Viking Hockey Team had a very good season for its first year. Chuck Rogers was one of the team's key players of the season, with 12 goals and 11 assists. Their outstanding performances were a result of their being outstanding hockey players. Most of the credit for their first year's success should be given to Coach Jack St. Amand because he gave his best, coaching this fine hockey club. Also, Dan Cleaver, the team's captain, scored 10 goals with 7 assists. With this new sport at MHS, we have a pretty good chance of scoring a real winner next year.

> Washington that the citizens of Dogpatch must evacuate their mountain homes. Dogpatch was selected as the most unnecessary town in the country, and therefore, the perfect site for nuclear tests. It appeared that something useful was found when Mammy Yokum produced her secret formula of Yokumberry tonic which made muscle men of weaklings. However, General Bullmoose, a sly and conniving politician, set a sultry siren and Evil Eye Fleagle with his double whammy to work on Li'l Abner, hoping to wheedle Mammy's secret formula from him. The citizens of Dogpatch, after a trip to Washington, foiled his plan, and everyone settled down for a peaceful life of rustic simplicity in Dogpatch, U.S.A.

The wonderful tunes and fine choral work contributed to making Li'l Abner one of Marysville High School's outstanding musicals.
